by 5:00 PM on January 22, 2014.

**PARENTS, GRANDPARENTS, GUARDIANS & CAREGIVERS**, join us in refining your natural leadership skills. This event will provide you with the tools and resources to become change agents addressing issues that impact the education, health, safety and development of children and youth, which will ultimately result in a healthier community.

This one day event will help inspire and call attention to the important role you play in the lives of children, youth and the community.
